Now is the Time to Create Your Future

Where am I finding meaning and purpose?
Am I living true to myself and being authentic?
Am I discovering my potential?
Should I make a plan for my life?
What does financial self reliance mean to me?
Can I succeed alone?
How can I give back?

The Launching Leaders course gives you tools that open doors to a life of fulfillment. We’ll help you develop your complete self. You will learn how to apply practical principles and spirituality to your everyday life. You will discover how to accomplish your life’s passions. You will create your future.

</table>

**The Formula**

Launching Leaders’ inspiring and powerful six steps to happiness and success.

**Beware of the Double Life**

Compartmentalization of your life doesn’t work. It wasn’t meant to. Learn how to have a congruent life.

**Habits of Success**

Good habits build character and bad habits destroy them. Shape the habits that lead to a fulfilling life.

**Financial Fitness**

Become self-reliant and take even more control of your life.

**Rise Above and Make a Difference**

Learn how to thrive and not just survive. Live into your purpose. Maximize your potential.

**The Power of Story**

Communication is essential to success. Learn the three E’s of effective communication.

**Giving Back**

Paying it forward can be in time, effort, or money. Learn how to give back on a daily basis. Make it a core value.

**Onward!**

Stand up for the principles taught in this course. See how you have changed. Now live what you know.
